Voting in Person

To vote in person, attend the Meeting on the date and at the place as set out above. If possible, Shareholders are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, so that the Company may check the Shareholders' holding against the Company's share register and note attendance.

Voting by Proxy

Appointment of Proxy: Shareholders who are entitled to attend and vote at the Meeting, may appoint a proxy to act generally at the Meeting and to vote on their behalf. The proxy does not need to be a Shareholder. A Shareholder that is entitled to cast two or more votes may appoint two proxies and should specify the proportion of votes each proxy is entitled to exercise. If a Shareholder appoints two proxies, each proxy may exercise half of the Shareholder's votes if no proportion or number of votes is specified.

Voting by proxy: A Shareholder can direct its proxy to vote for, against or abstain from voting on each Resolution by marking the appropriate box in the voting directions to your proxy section of the Proxy Form. If a proxy holder votes, they must cast all votes as directed. Any directed proxies that are not voted will automatically default to the Chairman, who must vote the proxies as directed in the Proxy Form. Proxy Forms must be received by 12:00pm (WST) on Saturday 28 November 2020. Details on how to lodge your Proxy Form can be found on the enclosed Proxy Form. If you have any questions about your Proxy Form, please contact the Company Secretary by telephone at +61 8 6489 1600.

If COVID-19 social distancing restrictions change prior to the Meeting, the Company will advise via an ASX announcement as to any changes in the manner in which the Meeting will be held and as to whether shareholders will still be able to attend in person and participate in the usual way. The Notice is important and should be read in its entirety. If you are in doubt as to the course of action you should follow, you should consult your financial adviser, lawyer, accountant or other professional adviser.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2020 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://lustrumminerals.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTIONS 2 AND 3 – ELECTION OF DIRECTORS – MR PIERS LEWIS AND MR LUKE HALL

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Piers Lewis and Mr Luke Hall, having been appointed by other Directors on 3 December 2019, in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seek election from Shareholders.

3.2 Resolution 2 – Election of Mr Piers Lewis

(a) Qualifications and other material directorships

Mr Lewis is an experienced executive, board director and team leader, with a diverse background in the resources, banking and technology sectors. In 2011, Mr Lewis founded Smallcap Corporate, a corporate advisory services company. Mr Lewis currently serves as chairman of Cycliq Group (ASX: CYQ), eSense Labs (ASX: ESE), and is company secretary for Grange Resources (ASX: GRR) and Ultima United (ASX: UUL).

Mr Lewis completed a Bachelor of Commerce at the University of Western Australia, qualified as a Chartered Accountant with Deloitte in 2001 and is a member of the Governance Institute of Australia.

(b) Independence

If elected the Board does not consider Mr Piers Lewis will be an independent Director.

(c) Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Lewis and formed the opinion that Mr Lewis is a suitable person with the right mix of skills and experience to hold office as a director of the Company.

(d) Board recommendation

The Board has reviewed Mr Lewis' performance since his appointment to the Board and considers that Mr Lewis' skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Lewis and recommends that Shareholders vote in favour of Resolution 2.

3.3 Resolution 3 – Election of Mr Luke Hall

(a) Qualifications and other material directorships

Mr Hall is a corporate and commercial lawyer with experience in capital raising and structuring issues including Corporations Act and Listing Rule compliance and governance issues, private M & A, private equity transactions, IPOs and backdoor listings. Mr Hall has formerly worked for major mining companies, engineering firms, and contractors in the mining and engineering sector, including Fluor Corporation, Rio Tinto and Mineral Resources Limited.

(b) Independence

If elected the Board considers that Mr Hall will be an independent Director.

(c) Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Hall and formed the opinion that Mr Hall is a suitable person with the right mix of skills and experience to hold office as a director of the Company.

(d) Board recommendation

The Board has reviewed Mr Hall's performance since his appointment to the Board and considers that Mr Hall's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Hall and recommends that Shareholders vote in favour of Resolution 3.

4. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 5.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to:

- (i) progress exploration and development of the Company's projects, including those projects which the Company has agreed to acquire under the proposed acquisition set out in the

prospectus released on the ASX on 15 September 2020 (**Prospectus**);

- (ii) corporate overhead and administrator costs; and
- (iii) general working capital purposes.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 8 October 2020.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.023	\$0.045	\$0.068
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	155,594,676 Shares	15,559,468 Shares	\$ 350,088	\$ 700,176	\$ 1,050,264
50% increase	233,392,014 Shares	23,339,201 Shares	\$ 525,132	\$ 1,050,264	\$ 1,575,396
100% increase	311,189,352 Shares	31,118,935 Shares	\$ 700,176	\$ 1,400,352	\$ 2,100,528

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There is currently a total of 155,594,676 Shares on issue, comprising:
 - (a) 33,851,450 existing Shares as at the date of this Notice of Meeting; and
 - (b) 121,743,226 Shares to be issued, for which approval was obtained at the general meeting held by the Company on 30 September 2020, comprising:
 - (i) 90,000,000 Shares to be issued under the Public Offer (assuming maximum subscription);
 - (ii) 24,000,000 Shares to be issued under the Larchmont Offer;

- (iii) 5,500,000 Shares to be issued under the White Metal Offer; and
- (iv) 2,243,226 Shares to be issued under the RZJ Offer,
(the **Offers**).

Details of the above Offers are set out in:

- (a) the notice of meeting released by the Company on 1 September 2020; and
- (b) the prospectus released by the Company on ASX on 15 September 2020 (**Prospectus**).

Capitalised terms above have the corresponding meaning given to them in the Prospectus.

2. The issue price set out above is the closing market price of the Shares on the ASX on 8 October 2020.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

- (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 29 November 2019 (**Previous Approval**).

During the 12 month period preceding the date of the Meeting, being on and from 29 November 2019, the Company has not issued any Equity Securities pursuant to the Previous Approval.

4.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTION 5 – RE-ELECTION OF DIRECTOR – DAVID PRENTICE

5.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Clause 14.2 of the Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

David Prentice, who has served as a Director since 1 July 2017 and was last re-elected on 1 March 2018, retires by rotation and seeks re-election.

5.2 Qualifications and other material directorships

David Prentice has more than 25 years' experience in commercial management and business development within the natural resources sector, working for some of Australia's leading resource companies. This has included high-level commercial and operational roles with a number of publicly listed and unlisted resource companies. The last 10 years have seen David gather extensive experience (both corporate and operational) in the US onshore oil and gas exploration and production sector with a particular focus on the mid-continent region

5.3 Independence

If re-elected the Board considers Mr Prentice will be an independent Director.

5.4 Board recommendation
